Welcome back to STACK AAU Tryouts.. As we return to play, our mission continues to be providing the most memorable experiences in youth basketball. In order to do so, we encourage parents, athletes, coaches, and all of our guests to join us in returning to STACK responsibly by learning our new ground rules.

The Top 5 Keys To Safety

1. **Hand Washing** - We recommend you wash your hands often, and when soap and water is not available, we have hand sanitizer placed throughout the facility for your frequent use.
2. **Social Distancing** - Please maintain at least 6 feet between you and others, following all posted signage throughout the facility.
3. **Face Coverings** - We recommend all guests to wear masks or face coverings
4. **Cleaning & Disinfecting** – Please be patient as our team performs more frequent cleaning. Help do your part by keeping your area clean and disposing of trash. Our staff will be conducting periodic disinfecting of the facility multiple times per day and in between workouts.
5. **Health Monitoring** – Daily self-evaluated wellness screenings need to be completed by all guests prior to entering the facility. Guests experiencing COVID-19 symptoms should contact a local health care facility immediately. Stay home if you feel sick, have been recently exposed to someone who is sick or if you have been instructed by a healthcare professional to self isolate.

MINIMIZING FREQUENTLY TOUCHED AREAS

- Parents will not be permitted inside the facility, we ask that you drop your child off at the back entrance for tryouts and not wait inside to help us minimize the amount of people inside..
- Children can bring their own basketball but we will also have disinfected balls for them to use here at the facility.
- Please bring your own personal water container as water fountains will be disabled.
- Showers/locker rooms will remain closed at this time.
- Use your best judgement to try and avoid touching high touch surfaces.

SCHEDULING and Check-In

- Due to capacity limitations of players per tryout, all players must be registered in advance there will be no walk in registration.
- When arriving at the STACK facility please join the line at the back entrance for outdoor check-in, you will not be permitted to enter the facility until the previous tryout is over
- Temperature and health screening will be conducted prior to admittance
- Due to limited capacity once you reserve a spot there will be no refunds issued if you need to cancel because of a family or medical issue you will be issued a credit or can reschedule for an individual evaluation
- All players are required to submit an updated medical waiver before participation.

Equipment

- Coaches and players will not share a basketball whenever possible. .
- All basketballs and equipment will be disinfected prior to the start off and at the completion of all workouts.
- If you prefer to bring your own ball/equipment you can.

During The Tryout

- Coaches will wear masks during the workout
- Players are required to wear a mask as often as possible
- Hand sanitizer will be available to players around the facility and we encourage you to use them regularly. .
- Social distancing will be implemented throughout the workout and we will set up drills that allow for safe distance between participants.
- High fiving and hand shakes will not be permitted at any time.

Food and Drinks

- No Food or gum will be permitted in the gym
- Players should not share food or drinks at anytime
- Water fountains will remain closed please bring your own drink
- Vending machines will be available and disinfected multiple times per day.

The Season

- We will be adhering to any capacity limitations put in place by local/state and federal authorities.
- Team practices will utilize social distancing to allow each team to have adequate space

The Future

As we all know the situation surrounding COVID-19 is always changing. We will remain informed about any and all federal/state/local guidelines. Please understand as we do our best to return to the new normal changes may be implemented as we continue to evolve and will keep everyone informed.
